EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Miller on November 29, 2006.

The application has been amended as follows:

Please amend Claim 18 as follows:

18. (Currently Amended by the Examiner) A system including a processor and memory for corresponding a visual representation and a spreadsheet, said system comprising:

means for identifying cells in the spreadsheet as data cells or calculation cells;

means for identifying a collection of data entities and calculation entities for the visual representation;

means for corresponding the data cells to the data entities and the calculation cells to the calculation entities so that the visual representation in the spreadsheet have a functional equivalence;

means for detecting changes in the cells of the spreadsheet and changes in the entities of the visual representation;

and means for automatically changing the entities in the visual representation to correspond to detected changes in the cells of the spreadsheet and means for

automatically changing the cells in the spreadsheet to correspond to detected changes in the entities in the visual representation so as to automatically maintain a functional equivalence between the visual representations and the spreadsheet.
